Case 2013-6 Chairman Butler introduces himself to Ms. Gail Madison and asks if there is anything she would like to explain about this subdivision? Mr. Barrass went to the bench and he and the board members discussed the survey map including the corner that shows the area of questionable title. Ms. Madison would like to subdivide the property as you can see and possibly sell the house and keep the vacant land. Although it shows the questionable title it will not interfere with any building in the future as you can see. Chairman Butler states to the board members and Ms. Madison that he would like to schedule a public hearing for next month. Secretary Hamm states to Ms. Madison that she has the legal ad to give her and list of land owners within 500' for her to mail out. Secretary Hamm will place the legal add in the Post Star. This meeting will be held on August 15, 2013 at 7:00 P.M.

Motion to adjourn the meeting was made by Louise Reed and seconded by Chairman Butler.

Next meeting will be August 15, 2013

Respectfully,

Linda Hamm

Secretary
