New Business: The board discusses training coming up in January. Chairman Clarke talks about introducing a new course at the January training convention next year to cover improvements with water supply and preservation of water and septic system designs; he says he plans on talking to Jason Kemper in regards to this. The board also discusses the determination made by the Zoning Board Administrator regarding zoning on fences as there may be a zoning application coming regarding the same. Secretary Stachia states that she will send the determination via email to the members and will notify if and when an application is received.

Motion to adjourn meeting made by Glenn and Seconded by Tracey

ALL IN FAVOR
