Supervisor Lucia read the following letter into record:

Town of Corinth,

The Corinth Leo Club is a community service organization open to youth ages 12 to 18 residing in Corinth, Greenfield, and the immediately surrounding areas. Corinth Leos are guided by the Greenfield Lions and follow the motto: "We Serve."

The Leo Club's objective is to provide the youth of the world with an opportunity for development and contribution, individually and collectively, as responsible members of their local, national, and international community. The word "Leo" is an acronym for three qualities the organization hopes each child gains from their participation in the program: Leadership, Experience, and Opportunity.

We encourage the personal growth of Leos by developing leadership skills through the organization of community events, fundraisers, and meetings. These activities give participants experience with teamwork by learning to cooperate and collaborate with others. This grants Leos with the opportunity to reap the rewards of being a part of their community.

As a Corinth youth community program, the Corinth Leo Club is honored to support the 6th Annual Corinth Fun Day. This is a worthy event and we thank the Town of Corinth for its creation and continued success.

Best regards,

Corinth Leo Club Advisors
Lions Brittney Campbell, Rebecca Chandler, and Fred Koch
