Dear Business Owner:

The letter below, from the Class of 2020 Parent Group, requests your support for an after prom event. **Please know that the Corinth CSD fully endorses this activity.** This group of parents deserves our gratitude and support for actively safeguarding our children. If you have any questions, please contact my office. Thank you for your continued support.

Dr. Mark Stratton

Dear Sir or Madam:

The "Class of 2020" Junior Class Parent Group is currently planning our After Prom Party to be held on Saturday, May 11, 2019. This traditional event continues to be a safe, fun filled way for the students to celebrate after a wonderful evening of dinner and dancing. We provide them with a drug and alcohol free environment and keep them in one location for the evening. Last year, thanks to your help, we were able to provide a successful after prom party for over 100 prom attendees!

We are organizing a night of fun activities to include music, games, contests and food. We will have prizes that will be given away throughout the night. Our parent group feels strongly that the more entertainment, activities and prizes we have to offer our students, the greater the attendance and participation will be. We would love to have every single prom attendee also attend our safe and fun after prom party.

We would greatly appreciate a donation from you. Your donations can be in the form of a gift item, gift card or monetary donation. Please make all check donations payable to the "Class of 2020 Parent Group." On behalf of the parents and the Class of 2020, thank you for your consideration and your support in helping us provide a safe After Prom Party. If you should have any questions feel free to contact one of the parent group members listed below.

You can mail your donation or contact us to arrange a time that we can pick it up from you. Thank you.

Sincerely,

Tammi Lemelin

It was suggested by Bookkeeper Halliday that the Town not write a check to support this cause but to possibly take up a donation from the board members and employees.

- CDBG Mobile Home Grant Letter-FlatleyRead requested confirmation that resolution was passed and notified that cost would be \$1,500.00 for grant application.
- Water Bill-Supervisor Lucia spoke about the water bill he received from the Village for \$12,580.00 and said that he spoke to Town Attorney about speeding up the bond process. Town Clerk Farr said she needs to know where to take the funds from to pay the other bill for \$59,634.11; it needs to be paid by next bill pay or there will be penalties added.

There was no comment from Town Clerk, or any Town Board members present this evening. There was no public comment as this is a workshop.
