Justice Woodcock contacted the Judicial System which

determined the maximum hours could only be 18.8 per week. The conclusion was that she would work M,T, W each 6 hours per day due to the back log. Council Butler asked is an end date was set for the extra hours. Councilman Collura suggested that in 4 weeks the subject gets revisited to determine if the court has caught up on their back log and to see if the extra hours are still appropriate.
