*I am waiting for the bid information from Shawn for the Highway Fuel System and tank. Once I receive it, I will be placing an ad in the Saratogian accepting bids. The bids will be opened at our September 12th Town Board Meeting.

PUBLIC COMMENT:

Jennifer Michelle:

*Did you make any changes to the LED signs when the law was changed? Supervisor Butler said yes to the size of the sign and the brightness. During the day and night the light are required to have different strengths.

Mike McElligott:

*Attended the Village Board meeting. Hal Raven spoke about ideas for the railroad and boat tours on the river. Thinks it is a very good idea and would like to see both boards work together to help with this.

TOWN BOARD:

Councilwoman Denno:

*When will we be meeting with the Village regarding the Fire Contract? A discussion was held, and September was agreed.

Councilman Clothier: Nothing further to report

Councilwoman Crooks:

* There's still a lot of work being done in the background for the grant. There's a couple of other smaller grants that we've asked them to go after that could be \$50,000 each. This could keep us moving forward with the plans for the 9N property. I'm expecting something from DOT in the next three weeks for the 9N property.

Councilman Mann: Nothing further to report
